4.00 MANAGEMENT RIGHTS

4.01 The Employer hereby retains and reserves into itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and Constitution of New Jersey and the United States.

5.00 ASSOCIATION REPRESENTATIVES

5.01 The Employer recognizes the right of the Association to designate representatives and alternates for the enforcement of this Agreement.

5.02 The Association shall furnish the Employer in writing the names of the representatives and the alternates and notify the Employer of any changes.

5.03 The authority of the representatives and alternates so designated by the Association shall be limited to, and shall not exceed, the following duties and activities:

- (a) The investigation and presentation of grievances in accordance with the provisions of the Collective Bargaining Agreement.
- (b) The transmission of such message and information which shall originate with, and are authorized by the Association or its officers.

5.04 With the permission of the Director of the Department, which permission shall not be unreasonably withheld and provided there shall be thereby no interference with the normal operations of the departmental business, the designated Association representatives shall be granted time with pay during working hours to investigate and seek to settle grievances and to attend all meetings and conferences on collective negotiations with Employer officials.

6.00 RIGHTS OF EMPLOYEES

6.01 Members of the Association hold a unique status as public employees in that the nature of their employment involves the exercise of a portion of the fire department power of the municipality.

6.02 The security of the community depends to a great extent on the manner in which fire fighters perform their duty, and their employment is thus in the nature of a public trust.

6.03 The wide ranging powers and duties given to the Department and its members involve them in all manner of contacts and relationships with the public.

6.04 Out of these contacts may come questions concerning the actions of the members of the Association.

6.05 These questions may require investigation by superior officers designated by the Director of the Fire Department and the Village manager.

6.06 In an effort to insure that these investigations are conducted in a manner which is conducive to good order and discipline, the following rules are hereby adopted:

- (a) The interrogation of a member of the Association shall be at a reasonable hour, preferably when the member of the Association is on duty, unless the exigencies of the investigation dictate otherwise.
- (b) The interrogations shall take place at a location designated by the Director of the Fire Department.
- (c) The member of the Association shall be informed of the nature of the investigation before any interrogation commences including the name of the complainant. Sufficient information to reasonably apprise the members of the allegations should be provided. If it is known that the member of the Association is being interrogated as a witness only, he should be so informed at the initial contact.
- (d) The questioning shall be reasonable in length. Reasonable respites shall be allowed. Time shall also be provided for personal necessities, meals, telephone calls, and rest periods as are reasonably necessary.
- (e) The member of the Association shall not be subject to any offensive language, nor shall he be threatened with transfer, dismissal or other disciplinary punishment. No promise of reward shall be made as an inducement to answering questions nor shall any threat or promise be made to induce silence. Where the Employer elects to record the interrogation, then the Employee shall be entitled to transcribe the recording at his own expense or to a copy of a transcription when done by the Employer. Where the Employee elects to record the interrogation, he shall provide the Employer with a transcription thereof free of charge.
- (f) At the sole expense of the FMBA and not to unreasonably delay the investigative procedure, the complete interrogation of the member of the Association shall be recorded mechanically or by a department stenographer. There will be no "off-the-record" questions. All recesses called during the questioning shall be recorded.
- (g) If a member of the Association is under arrest or is likely to be, that is, if he is a suspect or the target of a criminal investigation, he shall be given his rights pursuant to the current decisions of the United States Supreme Court.
- (h) In all cases, and at every stage of the proceedings, in the interest of maintaining the usual high morale of the Association, the Department shall afford an opportunity for a member of the Association, if he so requests, to consult with counsel and/or his Association representative before being questioned concerning a violation of the Rules and Regulations during the interrogation of a member of the Association. Said consultation shall not delay the interrogation beyond one (1) hour for consultation with his Association representative, nor more than two (2) hours for consultation with his attorney.

- (1) Nothing herein shall be construed to deprive the Department or its Director of the ability to conduct the operations of the Department and nothing in the foregoing to the contrary shall be construed to excuse or delay the prompt execution and delivery of Departmental routine reports.

7.00 NO STRIKE PLEDGE

7.01 The FMBA covenants and agrees that during the term of this Agreement neither the FMBA nor any person acting on its behalf will cause, authorize, or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty, or wilful absence of any Employee from his position, or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of the Employee's duties of employment) work stoppage, slowdown, walkout or other job action against the Employer.

7.02 In the event of a strike, work stoppage, job action, slowdown or walkout, it is covenanted and agreed that participation in any such activity by the FMBA member shall entitle the Employer to take appropriate disciplinary action, including, but not limited to, discharge in accordance with applicable law.
